

Schwans's Cares™

A Fundraising Network

Giving back to your community never tasted so delicious.

The tipped ear on this kitty is the universal sign that a kitty has been neutered or spayed and vaccinated. By placing an order through Schwans.com a portion of the sales will come back in support of our campaign! Our campaign helps support Sheltering Hands which is the entity we use for our Trap Neuter Return volunteer spay/neuter program. This program has helped tremendously on the island of Cedar Key, Florida. Your \$20 donation
